

# Temporary Choices for Powder Formula, Effective March 9, 2022

Due to the Abbott recall, the following formulas can be purchased using WIC EBT benefits until further notice. Depending on the size purchased, one or two cans of Similac formula will be removed from the benefit balance – see below.

If the WIC benefit balance shows:	There is also the option to purchase:

Look at your benefit balance to determine the number of cans.

1 Large (27.4-33.2oz) can  
=  
2 small (12-12.9oz) cans

If you have one can left, you can only purchase a small can.

You can mix and match sizes.

$$5 \text{ Large Can } 27.4\text{-}33.2 \text{ oz} = 10 \text{ Small Can } 12\text{-}12.9 \text{ oz}$$

$$4 \text{ Large Can } 27.4\text{-}33.2 \text{ oz} + 1 \text{ Small Can } 12\text{-}12.9 \text{ oz} = 9$$

$$2 \text{ Large Can } 27.4\text{-}33.2 \text{ oz} + 5 \text{ Small Can } 12\text{-}12.9 \text{ oz} = 9$$
